Effective November 1, 2019, the Ontario government introduced the new Ontario Electricity Rebate (“OER”) under the *Ontario Rebate for Electricity Consumers Act, 2016*. The OER provides eligible customers with a 18.9% reduction on the amount of their bill before HST, effective May 1, 2021.

Residential and Small Commercial customers using less than 50 kW are automatically eligible for the rebate. Commercial accounts that are greater than 50 kW but use less than 250,000 kWh annually also automatically qualify. THESE CUSTOMERS DO NOT NEED TO COMPLETE THIS SELF DECLARATION.

To see if your account is eligible, please complete the following Self-Declaration Form and return to our office by mail, fax, or email.

STEP 1: Eligibility for the Ontario Electricity Rebate

To be eligible to receive the rebate, you must qualify under **at least one** of the following criteria. Please check all that apply to your account:

- A farming business for the purposes of the *Farm Registration and Farm Organizations Funding Act, 1993*, and holds a valid registration number assigned under the Act or the obligation to file a farming business registration form was waived pursuant to an order made under subsection 22 (6) of the Act;
- The account is in respect of a long-term care home licensed under the *Long-Term Care Homes Act, 2007*, other than an account that is also in respect of a hospital as defined in the *Broader Public Sector Accountability Act, 2010*;
- The account is solely in respect of a bulk-metered multi-unit complex¹, but is not an account referred to above and **all** the following conditions (a, b, c, d) are met:
 - a. The account has a demand for electricity greater than 50 kilowatts and annual electricity consumption greater than 250,000 kilowatt hours, and
 - b. The multi-unit complex contains at least two (2) qualifying units that consist of a self-contained room or set of rooms, including kitchen and bathroom facilities, that are for the sole use or intended use of the unit, and are occupied and used as a residence, and
 - c. At least 50 percent of units are qualifying units as described above; and,
 - d. **No part** of the multi-unit complex is one of the following:
 - A hotel, motel/motor hotel, resort, lodge, tourist camp, cottage/cabin establishment, inn, campground, trailer park, tourist home, bed and breakfast vacation establishment/vacation home;
 - A hospital;
 - Short-term living accommodation provided as emergency shelter;
 - Living accommodation occupied by a person for penal or correctional purposes;

¹ A “multi-unit complex” is defined as a building or related group of buildings containing two or more units.

- A premise that is subject to the Ministry of Correctional Services Act or the Child, Youth and Family Services Act, 2017;
- Living accommodation provided by an educational institution to its students or staff where,
 - The living accommodation is provided primarily to persons under the age of majority, or all major questions related to the living accommodation are decided after consultation with a council or association representing the residents, and
 - The living accommodation is not intended for year-round occupancy by full-time students or staff and members of their households;
- A university, college of applied arts and technology or other entity that provides post-secondary education;
- A premise that is identified as mining, quarrying, and oil and gas extraction; utilities; construction and manufacturing (North American Industry Classification System codes 21, 22, 23, 31, 32, 33).
