Under Ontario regulations, an account which falls into one of a prescribed set of categories is to be billed under **the Regulated Price Plan (RPP)**. RPP consumers have the option of being charged the RPP Time-of-Use (TOU) or Tiered pricing. Consumers that have an interval meter also have the option of being charged the Hourly Ontario Energy Price (HOEP). For more information on the RPP, TOU or Tiered prices, please visit the Ontario Energy Board's website at www.oeb.ca.

Alectra Utilities automatically enrolls some accounts in the RPP due to the consumer's consumption and demand profiles as described in Step 1, sections 1 through 3. However, some accounts, as described in Step 1, sections 4 and 5, are not automatically enrolled and must self-declare account eligibility with Alectra Utilities in order to be enrolled in the RPP. If you're interested in self-declaring and having your account enrolled in the RPP, please complete the steps below.

At any time after the self-declaration, the consumer can choose to switch between the RPP TOU, RPP Tiered or the HOEP pricing. Requests to change your price plan can be emailed to RPP@alectrautilities.com

STEP 1: Determine Eligibility for the Regulated Price Plan

Ontario Regulation 95/05 stipulates the eligibility for the Regulated Price Plan as follows:

1. Low-volume consumers (consumers who annually use less than 150,000 kilowatt hours of electricity).
2. A consumer who has a demand of 50 kilowatts or less.
3. A consumer who annually uses at least 150,000 but not more than 250,000 kilowatt hours of electricity.
4. A consumer who has an account with a distributor, if the account relates to,
 - i. a dwelling,
 - ii. a property as defined in the Condominium Act, 1998,
 - iii. a residential complex as defined in the Residential Tenancies Act, 2006, or
 - iv. a property that includes one or more dwellings and that is owned or leased by a co-operative as defined in the Co-operative Corporations Act.
5. A consumer who has an account with a distributor if the consumer,
 - i. Carries on a business that is a farming business for the purposes of the Farm Registration and Farm Organizations Funding Act, 1993, and
 - ii. holds a valid registration number assigned under that Act or the consumer's obligation to file a farming business registration form was waived pursuant to an order made under subsection 22(6) of that Act.

STEP 2: Complete the Self-Declaration Form

If your account is not currently billed under RPP rates and meets one of the criteria in subsections 4 or 5 above, please complete the remainder of the form below. If you have more than one qualified account, please list each

one separately. If there are units in your building or farm complex that are metered or billed separately from the account referenced, do not include them in the total number of units for this account.

If no Pricing Plan selection is made, the default price plan will be set up as follows: for GS<50 the pricing plan will be set to RPP TOU and for GS>50 the pricing plan will be set to RPP Tiered.

Account Number	Name on Account	Basis for Qualification	# of Residential Units	Pricing Plan
				RPP TOU RPP Tiered
				RPP TOU RPP Tiered
				RPP TOU RPP Tiered
				RPP TOU RPP Tiered
